

HID® FARGO® DTC4500e Consumables

HID GLOBAL PROVIDES A VARIETY OF CONSUMABLES AND ACCESSORIES TO OPTIMIZE THE PERFORMANCE OF YOUR HID FARGO DTC4500E PRINTER/ENCODER

- **Direct-to-Card (DTC) Ribbons:** Custom dye-sublimation and resin ribbons work seamlessly with your FARGO DTC4500e printer(s) to consistently produce colorful images, crisp text and precise barcodes
- **Overlaminates:** Applying an overlaminate to your cards not only improves card durability and longevity; with an optional holographic design, overlaminates can also significantly increase card security. Overlaminates with standard or custom holograms create an ID card that is difficult to forge, yet easy to verify.
- **Cards:** Graphics-quality UltraCard™ non-technology cards feature polished, scratch- and debris-reduced surfaces to optimize the quality of your printed images
- **Cleaning Kits:** Printhead cleaning swabs, interior cleaning cards and cleaning rollers facilitate optimal print quality and ensure your printer is clear of dust, debris and build-up that can degrade printer performance over time

HID FARGO Ribbon Consumables for the HID FARGO DTC4500e

** Part Number	Description and Yield	Application
045230	ECO YMCKO*: Full-color with resin black and clear overlay panel, 700 images	Photo-accurate color prints, visual recognition
045201	ECO Premium Resin Black, K*, 3000 images	Bar codes, text, serial numbers, bold graphics
045202	ECO Standard Resin Black, K*, 3000 images	Bar codes, text, serial numbers, bold graphics

** Part numbers may vary by region. Please contact your dealer, integrator, or HID Sales Associate for regional part numbers.

*** DTC4500e lamination modules utilize a cartridge system to load overlaminates materials. A single-sided lamination module will utilize only cartridge 1, while a dual-sided simultaneous lamination module will utilize cartridges 1 and 2. The single-sided lamination module can be used for dual-sided lamination as long as the printer has a dual-sided printing module attached. The dual-sided lamination module can be used for single or dual-sided lamination.

**** For information on additional accessories, please contact your dealer, integrator, or HID Sales Associate.

FARGO Card Printer/Encoders require highly specialized media to function properly. To maximize printed card quality and durability, printhead life and printer/encoder reliability, use only HID FARGO Consumables. HID warranties are void, where not prohibited by law, when non-HID Consumables are used.
